ABOUT THIS EVENT

Shape the Future of Your Workforce – Join Us at The Recruitment Event 2026

On July 11th, 2026, CLIP Training & Consultancy N.V. proudly presents the third edition of The Recruitment Event, held at the elegant Ballroom Prince, Commewijnestraat 40, Paramaribo.

After two successful editions — with over 500 ambitious job seekers attending last year — we're raising the bar once again: more talent, more visibility, and more opportunities to connect.

This is your chance to meet highly motivated professionals, strengthen your employer brand, and position your organization for future growth. Through dynamic company pitches, personalized matching sessions and direct networking opportunities, you'll connect with both Surinamese and international talent, including professionals from CLIP's Talent Pools consisting of local and diaspora candidates.

Many companies are already on standby to secure their place at this prestigious event. We strongly encourage you to register early to guarantee your participation.

Special Incentive:

Register before February 1st, 2026 and receive an additional 5% early adopter discount on top of the Early Bird 2025 rates — exclusively for our returning and early-committing partners.

Spaces are limited to 50 companies. Secure your participation today and ensure that the right talent finds you first.

Explore our four tailored partnership packages — Oli, Udu, Gowtu, and Diamanti — in the official brochure or request your copy via assistant@clipconsultancy.com.

Register before April 1st, 2026 to enjoy 2025 rates.

To confirm your participation and secure your spot, a 50% deposit is required after registration. Registrations after April 1st will be subject to 2026 pricing.

We look forward to welcoming you to The Recruitment Event 2026.

We don't just organize events, we design employer and employee journeys.
